

DOING BUSINESS DIFFERENTLY

Lucy presents from the magic spot between stand-up comedian and motivational speaker. If you want your people to feel motivated, inspired and ready to conquer, this is the topic for you. From a 30+ year career as a master communicator, world changer and trailblazer, Lucy knows how to do business differently. Discover how to conquer the fears that hold you back, learn why fun should be a factor in your strategic plan, how kindness to others extends your life expectancy and why change is a superpower to seek out daily rather than avoid.

FUTURIST INNOVATION THINKING

She's the founder of an education start-up, led a creative agency for two decades and consulted in China-Australia innovation. If innovation fuels your engine and the future is where you're headed, this is the conference speaker and the topic for you. Discover what's in store as the world adapts to technologies that are radically changing the way we live, work and innovate. In this speech you'll learn how to create and inspire innovation with the mind and tools of a futurist even within frameworks of structure and bureaucracy.

LEADING WITH KINDNESS

As a recipient of a Kindness Award and the founding CEO of an holistic women's health charity, Lucy is your conference speaker when you are ready to implement kindness as a proven business strategy and essential part of psych-safety. Lucy has built a career on the science of kindness. Discover how to spread kindness like wildfire in a way that feeds back into your people and your bottom line. This unforgettable speech will have your delegates implementing a daily practice in kindness which will make them happier, healthier and more productive.
