

LUCY BLOOM STAGE INTRODUCTION

YOUR MC CAN WRITE THEIR OWN IF THEY WISH

Lucy Bloom is what happens when three decades of leadership experience meets a pink mohawk and a refusal to conform.

She's run an ad agency, led international aid organisations, and launched a world-first education startup.

She's also the author of three books and a blog packed with gems like "Procrastination and how I punched it in the face."

She's bold, brilliant, and never, ever dull.

Buckle up! This is no ordinary keynote...
